

**RESERVE
CABERNET FRANC**

The term CV refers to the original vineyard holdings on our estate, Continental Vineyards, and this very limited wine is only produced in exceptional vintage years. We achieved perfect fruit ripeness, resulting in a wine of outstanding depth. Only new oak is used and the average aging is 23 months. It is a very robust style that retains elegance and finesse. It is quite firm on the palate but the masses of spicy fruit and balancing oak compliment the grip nicely.
