Tempranillo

Tempranillo - The bouquet is lifted or perfumed, look for the combination of ripe berries, violets and subtle cigar-box oak. This Wine is complex and velvety in texture, with the perfect balance of acid and tannin.

The palate has fruit in abundance, is wonderfully integrated with fine ripe tannin and clean, natural acidity. Look for red berry flavors, with a touch of earth and spice.

It's medium body, balanced tannins, acidity and fruit make Tempranillo an excellent food wine. Pair with comfort-food menus from braised meats to flavorful risottos.

Sourced entirely from our own estate vineyards in Paso Robles on the Central Coast of California.
